

HEY NEIGHBOR! GOT A SECOND?

i have a little quest for you: i'd like you to take a mental vacation to a perfect world. not just any generic cookie-cutter wonderland, but your own, personal utopia.

what's it like over there? are the people nice?

how's the weather? is there a gift shop?

...will you send me a postcard?

or a letter, or a drawing, maybe even a collage. i'm curious to know what your tailor-made paradise looks like. i've never been, y'know??

happy travels, hope to hear from you soon!
